#### **OBSERVED VIOLATIONS:**

(none)

The item(s) listed above were observed by Section staff and require action on behalf of the facility in order to come into or maintain compliance with the Statutes, Rules, and/or other regulatory requirements applicable to this facility. Be advised that pursuant to N.C.G.S. 130A-22, an administrative penalty of up to \$15,000 per day may be assessed for each violation of the Solid Waste Laws, Regulations, Conditions of a Permit, or Order under Article 9 of Chapter 130A of the N.C. General Statutes. Further, the facility and/or all responsible parties may be subject to enforcement actions including penalties, injunction from operation of a solid waste management facility or a solid waste collection service and any such further relief as may be necessary to achieve compliance with the North Carolina Solid Waste Management Act and Rules.

#### **ADDITIONAL COMMENTS:**

1. Visited facility and met briefly with Mr. Holland, and observed and discussed waste-transfer and other aspects of facility operations.
2. Observed appropriate waste types on the transfer station tipping floor.
3. Observed that covers were in place on leachate drains and tanks.
4. Observed that wind-blown waste was not a problem at the facility at the time of inspection.
5. Observed that the white goods, electronics, and scrap tire collection areas were in good order at the time of inspection.
6. Observed that dust or vectors were not a problem at the facility at the time of inspection.
